

Rehabilitation & Return to Work Services/ Tailored Work Placements

We can assist you when:

- You are unable to accommodate your injured worker due to issues such as capacity or workplace relations. We can provide assistance to locate an external placement to build work capacity & maintain work habit while you explore your ability to provide duties
- Your organisation does not have duties available despite the injured worker having medical capacity for work. An external placement can be organised to assist with building work capacity
- You are seeking to exhaust the rehabilitation process to help finalise the claim
- You wish to provide other opportunities for injured workers to seek a different work experience away from your organisation, especially if a breakdown in a key relationship has occurred

Services offered by MSVS Consultancy include:

- Initial Assessments Reports
- Providing recommendations on managing injured workers in the workplace
- Monitoring /Developing return to work & rehabilitation plans
- Negotiating suitable employment
- Implement and Develop Graduated Return to Work Plans
- Organise external placements
- Organise off-site work hardening
- Monitoring placements & supporting workers in employment
- Vocational Counselling to identify suitable employment
- Intensive Job Seeking/Retraining – assistance to explore retraining options
- Labour Market Analysis
- Physiotherapy & treatment programs
- Manual handling /Injury prevention training
