

## Workplace Based English Tutoring

Are you an employer who wants to improve productivity in the workplace?

Are you a migrant wanting to improve your English skills ?

Are you a migrant wanting a better education for a better job?

### MSVS Consultancy can offer

- Literacy packages undertaken by an experienced tutor (has worked in Spain & has an understanding of tutoring as well as vocational counselling)
- Advice on the level of English skills required in the workplace to improve your employability
- Support for injured workers with English as a second language
- Workshops on living & working in Australia
  - (Fundamental basics e.g. workplace language, signs & OH&S)
